invite you to participate in

Frog Conservation Day

**Sunday,
March 18, 2018
11 am - 2 pm**

Come to the zoo to meet several interesting frogs and learn about their key role in nature through artifacts, animal programs, crafts and stories.

If you are a self-motivated, environmentally-minded person with a few minutes to spare each week contact Carol at cfusco@co.bergen.nj.us or call (201) 634-3125.

After a brief training course and some hands on help you can be adding to the scientific database and helping to preserve the wetlands.
