Bring your family to learn about the many varieties of sharks and rays that live in the Atlantic Ocean. Explore with us the current tagging and monitoring project taking place around the U.S. coastline. The BC Zoo will have stories and crafts for children as well as artifact displays and activities.

Free with paid admission to the Bergen County Zoo.

Look for the complete schedule on the event board as you enter the zoo on the day of the event. The BC Zoo does not currently house sharks or rays, no live animals will be included in these activities.
