

BERGEN COUNTY HEALTH CARE CENTER
A distinguished reputation for quality care.

May 7, 2021

Dear BCHCC family,

Please review the following highlights:

- ❖ Scheduled in person visitation with residents continues for all 3 cottages. Our activity department is happy to arrange your visits that, weather permitting, will take place outside in our courtyard, or in our chapel.
- ❖ Visitors must be approved by resident or the Power of Attorney so that the experience is a positive visit. As per NJDOH. Directives, no pets or children under two years old may visit.
- ❖ COVID-19 Testing for staff continues weekly. Results have been negative.
- ❖ The safety and good health of residents and staff are a priority for us. Measures taken include the ongoing installation of air filters in resident rooms, use of appropriate PPE equipment by residents and staff and conducting fire drills and disaster drills to practice evacuation of residents.
- ❖ On Wednesday, May 12, we will be honoring all of our employees during National Nursing Home Week. On that day, we will hear from Hansel Asmar the Director of the County's Public Health Department. He will pay tribute to their dedication and heroism and distribute Certificates of Recognition to them. Entertainment will be provided by Mary Taylor with a "finger licking good" mini barbeque provided by our five star kitchen.
- ❖ Mother's Day is a special day here. Our activity department will go around with a beautifully decorated fun cart, that contains special gifts from the Northvale Women's Club. Special "mock tails" will be served and appropriate music will be played during this time.
- ❖ Our weekly family circle virtual meeting will continue this Monday at 7PM. Invitations are sent out over the weekend. Please join.
