*A distinguished reputation for quality care.*

May 14, 2021

Dear BCHCC family,

**Visits** - It is a pleasure to greet so many of you as you come for in person visits with your loved ones. Please call as much in advance, as possible, so we can accommodate your requests. Rapid Covid tests are offered to you, but are not mandatory. Those who want to be tested should arrive at least 20 minutes earlier than the scheduled visit time. Visitors, as always must be approved by the resident or their Power of Attorney and be on our visitor list. No food or drinks may be exchanged during the visit. Tight fitting masks are required. Please remember that proper hand hygiene before, during and after visit is required.

**Visitation when BOTH visitors and residents are fully vaccinated.** While alone in the designated visitation area, residents and their visitors may choose to have close contact (including touch) and to remove their facemasks.

Our beauty parlor reopens this week. Haircuts will be provided to residents who have signed up.

**PPE** – Bergen County Administration continues to provide all necessary PPE. Additional vendors are used to keep a full complement of PPE on hand as well as the required reserve inventory.

**COVID Testing** – Resident testing has stopped as there are no positive staff members. Staff members are still tested twice per week.

**Business Office** – Statements for the month of April are in the mail.

Please remember that issues specific to a resident should be directed to the cottage staff or Harvey and Diane. They can be reached at 201-750-8310 or email us at [hsilberstein@co.bergen.nj.us](mailto:hsilberstein@co.bergen.nj.us) or Diane (acting DON) at [dholzberg@co.bergen.nj.us](mailto:dholzberg@co.bergen.nj.us) .
