

**BERGEN COUNTY HEALTH CARE CENTER**

*A distinguished reputation for quality care.*

June 18, 2021

Dear BCHCC family,

**COVID-19 vaccinations** – of residents and staff are continuing.

**COVID-19 Testing** – continues weekly for unvaccinated staff. Vaccinated staff and residents will not be tested, unless conditions warrant. Results have been negative. All staff and residents are routinely screened for temperature and symptoms.

Our breakfast menu will be expanded to include omelette buffet options. Beginning in July, a traveling omelette station will make its rounds to one cottage per week. It will be staffed by Jeff Kalish, our food service director and an additional chef. Residents will be able to choose what type of omelette they want and it will be made fresh for them.

Our next haircut day is scheduled for June 27<sup>th</sup> and June 28<sup>th</sup>. Please call Clara in our business office extension 8320 to schedule.

Visitors are to monitor for signs and symptoms of COVID-19 for at least 14 days after exiting. If symptoms occur, you are to self-isolate at home, contact your health care provider and immediately notify BCHCC of the date you were here, the individual with whom you were in contact and the location within BCHCC you visited.

Please remember that issues specific to a resident should be directed to the cottage staff or Harvey and Diane. They can be reached at 201-750-8310 or email us at [hsilberstein@co.bergen.nj.us](mailto:hsilberstein@co.bergen.nj.us) or Diane (acting DON) at [dholzberg@co.bergen.nj.us](mailto:dholzberg@co.bergen.nj.us). Please visit our website at and view our food menus, activity calendar and outbreak plan.

Sincerely,

Harvey Silberstein, Administrator     Diane Holzberg, Acting DON
