

BERGEN COUNTY HEALTH CARE CENTER

A distinguished reputation for quality care.

July 16, 2021

Dear BCHCC family,

- Our weekly COVID-19 testing of our unvaccinated staff is continuing. Results have been negative. Residents will only be tested if conditions warrant.
- Our vaccination rate for staff is at 85 % (NJ rate is 69.24%) and for residents it is 95% (NJ rate is 89%).
- Please visit our website at <https://www.co.bergen.nj.us/health-care-center> to view our menus, activity calendars and a summary of some of the things we have adjusted due to COVID-19.
- PPE equipment is used by staff while caring for residents.
- As promised, our made to order fresh breakfast omelete buffet began this week on Berryfield and Meadowgreen cottages. Residents choose the toppings that they prefer and enjoyed this special treat. All cottages will have their turn in the coming weeks.
- An e-mail invitation to an important BCHCC family meeting here went out Thursday. They are scheduled for Monday, July 19 and Wednesday, July 21 at 7pm in our chapel. Please attend one. The e-mail offered you a variety of ways to attend in-person, conference call or Zoom. These meetings will replace this week's Monday Family Circle call.

Please remember that issues specific to a resident should be directed to the cottage staff or Harvey and Diane. They can be reached at 201-750-8310 or email us at hsilberstein@co.bergen.nj.us or Diane (acting DON) at dholzberg@co.bergen.nj.us . Please visit our website at <https://www.co.bergen.nj.us/health-care-center> and view our food menus, activity calendar and outbreak plan.

Sincerely,

Harvey Silberstein, Administrator Diane Holzberg, Acting DON

MISSION: Bergen County Health Care Center is committed to providing individualized, exceptional and compassionate services to our residents, nurturing mind, body and spirit to support optimum quality of life and independence.
