A message from Bergen County Executive James J. Tedesco III

Veterans are an important part of the fabric of Bergen County and always will be. Although the COVID-19 pandemic has been an adjustment for everyone, especially our veterans, we want you to know that the Division of Veteran Services has and continues to serve those who have served our nation. The Division has compiled a list of Veteran Affairs resources for Veterans and their families to get them through this difficult time which can be referenced in this newsletter, if you don't find the information you are looking for please call our office and we will be happy to assist.

There are many benefits and discounts provided to our veterans. The Division of Veterans Services will assist the veteran and their families with all paperwork necessary to receive those benefits or guidance with discounts that may be available. If you want to submit a disability claim, please call NJ DMA-VA VSO, Mr. Joseph Restivo at 201-996-8050 or e-mail him at Joseph.Restivo@dmava.nj.gov. Please join me in welcoming our Acting Director of Veterans Services Mr. Shaun Hutchinson. Should you know of any veterans in need, regardless of when they served or how long they served, please have them contact our Veterans team at: (201) 336-6325 or email us at: veterans@co.bergen.nj.us. We are here to help.

Our Veterans are the reason why we enjoy the many freedoms we have today and that is why we will never stop working for you and your families while you serve and after you serve. We thank you for your service.

A message from Shaun Hutchinson, Acting Director, Division of Veterans Services

First, I would like to thank Bergen County Executive James Tedesco for the opportunity to serve the nearly 25,000 Veterans and their families who reside in our County. It is my mission to reach every single one of you, and to share the many resources and benefits that are currently available. We are in the process of creating a database that will streamline our communications, and we hope you will help us in spreading the word. We need your names, phone numbers, addresses, emails, and DD 214s which will expedite the process to assist you, should there ever be a need. If you know of a Veteran that has passed, please let us know where they are laid to rest so we can honor them with a flag on Memorial Day.

Another priority is the mental and physical security of all Veterans and their families which is the foundation for future success. We have teamed up with some excellent organizations that offer assistance, and we are adding new resources weekly. Soon we will devote a page on our website with links and contacts for quick and easy access to the information you need.

Should you know of any veterans in need, regardless of when they served, or for how long, please have them contact us at: (201) 336-6325 or email at: veterans@co.bergen.nj.us. You can also follow our Facebook Page at: www.facebook.com/bergencountyveteranservices/ and our county website at: www.co.bergen.nj.us/division-of-veterans-services.

I look forward to working tirelessly to serve our Veterans and their families.

TRICARE Pharmacy Copayments to Increase in 2022

Do you get your prescription drugs through TRICARE Pharmacy Home Delivery or at a TRICARE retail network pharmacy? If so, you'll pay anywhere from \$1 to \$8 more in co-payments starting January 1st.

As described in the TRICARE Pharmacy Program Overview, TRICARE groups prescription drugs based on the medical and cost effectiveness of a drug compared to other drugs of the same type. The cheapest, most widely available category is generic formulary drugs. This is followed by brand-name formulary drugs and non-formulary drugs. You'll see cost increases in all three of these categories. The new cost will depend on the type of pharmacy.

Here are the new copayment changes.

TRICARE Pharmacy Home Delivery (Up to a 90-day supply)

- Generic formulary drugs will increase from \$10 to \$12
- Brand-name formulary drugs will increase from \$29 to \$34
- Non-formulary drugs will increase from \$60 to \$68

TRICARE Retail Network Pharmacies (Up to a 30-day supply)

- Generic formulary drugs will increase from \$13 to \$14
- Brand-name formulary drugs will increase from \$33 to \$38
- Non-formulary drugs will increase from \$60 to \$68

Non-network Pharmacies (Up to a 30-day supply)

Non-network pharmacy costs remain the same if you use a TRICARE Prime plan. With a TRICARE Prime plan, you'll pay a 50% cost-share after you meet your point-of-service deductible for covered drugs. For all other health plans, non-network pharmacy costs are as follows:

- Generic formulary drugs and brand-name formulary drugs will cost \$38 (up from \$33) or 20% of the total cost, whichever is more, after you meet your annual deductible
- Non-formulary drugs will cost \$68 (up from \$60) or 20% of the total cost, whichever is more, after you meet your annual deductible

Introduction

The idea of a veterans home in the United States originated in the philanthropic mind of New Jersey Governor Marcus L. Ward, who had great concern for the sick and wounded soldiers of the Civil War. He believed that the commitment and obligation of the state and its citizens to those veterans did not end just because the war was over.

With the dedication of the New Jersey Soldiers' Home in Newark in 1866, a proud tradition began - a tradition of concern for and commitment to the veterans of New Jersey. Since that time, New Jersey has remained in the forefront in providing the finest in residential and skilled nursing care for our veterans and in responding and adapting to their changing health care needs.

Facilities & Services

The Division of Veterans Healthcare Services operates three modern long-term care nursing homes located in Paramus, Menlo Park, and Vineland. These homes are inspected and licensed annually by the New Jersey Department Health and the U.S. Department of Veterans Affairs.

Comprehensive services and a deep concern for the residents go hand-in-hand at New Jersey's three state-operated veterans nursing homes. Around-the-clock medical and nursing care is provided by a full-time staff of physicians, nurse practitioners, registered nurses, licensed practical nurses and certified nursing assistants.

Rehabilitative services, such as occupational and physical therapies, speech therapy, and recreational activities are provided under the supervision of contracted licensed therapists.

Resident accommodations are assigned based on level of care required and availability. In spacious dining rooms, residents are provided with wholesome meals prepared under the supervision of licensed dietitians. Tray service is available when necessary and special care is given to individually prescribed diets.

For the convenience and comfort of the residents, the homes feature fully equipped beauty and barber shops, lounges for socializing and watching television, outdoor patios and recreation areas, picnic grounds, and chapels for religious services for all faiths.

Recreational activities available include gardening, ceramics and other arts and crafts, cooking, bingo, shopping trips, music, art and pet therapy programs, movies, dinner trips, fishing excursions, billiards, and trips to sporting events.

The Division of Veterans Services would like to take this opportunity to remind our veterans about **Division of Senior Services** another great resource. The **Division of Senior Services** is located on the 2nd floor of One Bergen County Plaza down the hall from our office.

About the Veterans Aid & Attendance Pension benefit:

In 1952, Congress passed Title 38 of the United States Code, creating what we now call the Department of Veterans Affairs (VA), authorizing benefits for veterans. One of these benefits is the Non-Service Connected Pension, with "Aid & Attendance." (Veterans Aid & Attendance Pension benefit.)

Even though the pension has existed for 60 years, very few people know about it or understand how it works. Veterans Home Care has 18 years' experience successfully helping veteran families apply for and receive the pension. Let us help you, too.

At Veterans Home Care, we're dedicated to helping veterans who have proudly served their country, or their surviving spouses, get the benefits they deserve.

- **We help you determine if you qualify for the VA Aid & Attendance Pension Benefit.**
- **We assist you to identify and obtain documents needed for the application.**
- **We help you complete and submit the application to the VA.**
- **We provide your home care right away.**
- **We furnish an interest-free loan so you can pay for your home care while the VA processes your application.**
- **We monitor your application's progress, and assist with responses to VA requests for additional information until your pension is approved.**

Eligibility

Do You Have the "3-Ms"?

1. **Military:** Are you a veteran or the surviving spouse of a veteran who served at least 90 days on active duty, at least one day during wartime with an honorable or general discharge?
