Dog Adoption Application

So that we may be assured that the pet you wish to adopt is best suited to you, your home, and your lifestyle, and is placed in an environment that is compatible with his/her needs, we ask that you complete this application as truthfully as possible. Our goal is to find a pet for you and your family that will be the perfect companion.

Before you adopt a pet from BCAS you should know

- You must complete this application entirely before being eligible to adopt a pet.**

Completing this application in no way guarantees that you will be approved to adopt one of our pets. If you are approved for adoption a counselor will meet with you to discuss the specific needs of the pet you are interested in - or to show you another pet that may better meet the needs of your family.

- You must be at least 21 years old, with proof of age, to adopt a pet.**
- You must have proof of your current address.**
- You must have proof that you own your own home or that landlord/complex allows pets on the premises.**
- The entire family and/or all occupants of the household must visit the shelter for a "meet & greet" before final adoption (dogs only)**
- Basic yearly expenses can reach over \$800.00.**
- WHEN ADOPTING A DOG there is an adjustment period of a couple of months. During this time, you will need to be diligent about following our recommended "Nothing in Life is Free" training plan in ALL aspects of the dog's life. Are you willing to invest this time in your new companion?**
