REVISED VISITING PROTOCOL

I. General Rules

- BCHCC believes that every long term resident has a right to a social visit from anyone that they choose.
- Residents who have COVID-19 or who are in quarantine are exempt from visiting.
- Outdoor visits are encouraged and indoor visits are allowed.
- All visits, including window and Skype, are scheduled by our activity department.
- Two people, two years or older, may visit at one time for a period of time. This allows as many families, as possible, to visit.
- Food and drinks cannot be shared since masks cannot be removed.

II. Residents can be touched and hugged as long as residents and visitors are wearing a well-fitting mask (a surgical mask is sufficient). Additionally, hand hygiene is required and social distancing should be practiced as much as possible.

For questions, please contact Diane or Harvey. They can be reached at 201-750-8310 or email us at hsilberstein@co.bergen.nj.us or Diane (acting DON) at dholzberg@co.bergen.nj.us .

MISSION: Bergen County Health Care Center is committed to providing individualized, exceptional and compassionate services to our residents, nurturing mind, body and spirit to support optimum quality of life and independence.
