<td>Medicare Part D is an optional program, which adds prescription drug coverage to original Medicare. There are monthly premiums, co-pay and may include annual deductible. Plans run on a calendar year and cover about 75% of drug costs until one reaches cap level. PAAD participants and dual eligible (Medicare/Medicaid) must enroll in a Medicare Part D “benchmark plan”. Those who have been determined to have creditable coverage may not need to enroll. Benchmark plans for dual eligible and PAAD participants are premium free and are also waived late enrollment penalty. Rx plan's cap limit, deductibles, gap coverage do not apply.</td>
