Its easy to become an **Animal Sponsor**. At the **Bergen County Zoo!** Anyone can do it: school classes, scout groups, families or individuals.

Sponsorships also make great gifts. Can you think of a more unique gift than an owl for the teacher or a monkey for the birthday child?

Your sponsorship can be as creative as your imagination and the best part is that the zoo will do all the work for you. All sponsors have to do is come and visit their animal in its zoo environment. Fill out the enclosed Sponsorship Coupon and return it with your tax-deductible check in the appropriate amount and we will process your order.

SPONSOR AN ANIMAL

It's a Wild Idea

The Bergen County Zoological Park is an accredited member of the Associations of Zoos and Aquariums

It's a Wild Idea

The Bergen County Zoo strives to provide the highest level of care to the animals in its collection. Through the use of naturalistic exhibits, environmental enrichment and professional, caring staff, we hope to present animals which are fascinating, exciting and beautiful to our visitors.

You can help meet the expenses of maintaining an ever-growing collection by sharing the cost of maintaining one animal for a year. You determine the size of your contribution by the animal you choose to sponsor—from a dart frog to an American Bison.

Your sponsorship helps pay for veterinarian care, exhibit improvements, enrichment supplies as well as a huge weekly grocery bill.
