

RESOLUTION 1-75

WHEREAS, the Bergen County Board of Chosen Freeholders in March, of 1955 adopted a resolution containing standards for County road rights-of-way to be applied in cases of development along County roads; and

WHEREAS, pursuant to State Statutes, the Board of Chosen Freeholders by resolutions adopted in July of 1970 and May of 1971, assigned to the County Planning Board the authority to review and approve development applications within the County.

NOW, THEREFORE BE IT RESOLVED, that in conformance with the existing County standard relative to County road widths and in compliance with State Statutes, the County Planning Board, County of Bergen, amends the existing County Master Plan to include the minimum right-of-way standard of 30 feet from the centerline of the County road as established in the 1955 Freeholder Resolution relating to development along County roads. This standard shall be considered in the review of all applications before the County Planning Board.
