It is important to make reservations as early as possible as appointments are available on an availability basis. To ensure service availability, please make your appointments between 10:30am – 2pm, and make reservations with us at least 7-10 days in advance. Service requests outside of these hours and on shorter notice can sometimes be accommodated however, be sure to ask if the dispatcher can take your trip request on a stand-by basis.

**Cancellation/No Show Policy**

When an appointment is scheduled, the date and time of the request is secured. As appointments are on an availability basis, if transportation is canceled it would prohibit another client from securing that date and time slot.

If you cancel three (3) scheduled appointments in one (1) month, transportation will be suspended for one (1) month.

If you have three (3) no show/at door cancellations in one (1) month, your transportation will be suspended for six (6) months.

During the duration of suspension, no transportation will be provided, including previously confirmed transportation for the affected suspension period.

**Inclement Weather**

Due to our location, we do experience a number of winter storms each year, as well as an occasional hurricane or tropical storm. During these acts of nature, it is not always possible for us to provide a normal day of service.

If your trip is cancelled, or is scheduled during a closure of our office, you should contact us to reschedule it immediately so we can attempt to best accommodate you.

For the most up to date information on daily cancellations due to weather, you can visit our website at www.co.bergen.nj.us or call 201-368-5955 and listen for an automated message.

Although we have tried to gather specific information on their services, services change often and must be confirmed with the municipalities directly. Remember, even if you don’t see your town listed here; call your municipal building directly to find out what transportation options they may have for persons with disabilities and senior residents.

**Access Link/NJ Transit Buses**

Access Link is available to disabled clients who live within ¾ of a mile of a bus route but are unable to use public transportation. This service is available the same hours as the public bus system. Call 1-800-955-2321 and ask for an assessment. NJ Transit offers lift-equipped buses on both local transit and commuter routes, although not all local bus trips are accessible. Check your NJ Transit timetable for bus trips marked with a “W” to determine which trips are available for people who require the use of lifts.

**NJ Transit’s Reduced Fares**

Senior citizens and disabled residents can ride on most of the state’s buses for a reduced fare, which is ½ of the regular fare, rounded down to the nearest five cents. To ride at the reduced fare you must have an identification card, a reduced fare ticket and the appropriate reduced fare. A Medicare card can be used as identification or you can obtain a special Reduced Fare Identification Card. Applications for senior citizens and reduced fare tickets can be obtained at most banks in New Jersey. Persons with disabilities who do not have a Medicare card must call the Reduced Fare Program office for an application, which must be filled out by a doctor. For more information, call the Reduced Fare Program Office at 201-761-8327 from 8:45am - 4:15pm, Monday through Friday.
Roadside Assistance for Wheelchair-Equipped Vehicles

We at Community Transportation understand the special when a wheelchair-modified vehicle may become immobilized due to accident or mechanical failure.

When a county resident’s wheelchair-modified automobile becomes immobilized or is involved in an accident, the driver can contact the local police via 911 for assistance. If the officer determines that the vehicle is disabled beyond immediate repair on site, he or she will then call for a towing service and will contact the Sheriff’s Office for further assistance. The Sheriff’s Office will then call Community Transportation during normal business hours, to dispatch a driver, based on availability, to transport the damaged vehicle’s driver to either their intended destination or to their home, at which point service will end. This is offered as a free service on an emergency basis only to any person traveling in or through Bergen County in a wheelchair-modified vehicle, although transportation will only be available within the County limits.
